EXHIBIT AND SPONSORSHIP PROSPECTUS

More hours
More traffic
More buzz
Dear Exhibitor and Sponsor,

You’re invited to exhibit at and sponsor OSN New York, an annual meeting that has proven to be a valuable educational resource to comprehensive ophthalmologists for more than 25 years. The meeting offers a renowned faculty to provide physicians with perspective on the clinical, surgical and subspecialty advances they care about most.

We deliver a personal meeting experience. This is a dynamic meeting that encourages audience participation, so that we may all benefit from each others’ experiences and challenges. This intimate and interactive approach is our niche – time and space constraints at the larger meetings won’t allow for such open communication between faculty and attendees.

A testament to our excellent presenters and programming, OSN New York attendance remains steady every year – and we anticipate even more participation in 2017. The Section Chairs and I are hard at work building on this momentum to produce our most successful and engaging experience yet – making it the ideal opportunity for you to network one-on-one with your target audience.

Here are a few more reasons why attendees rate this one of the top ophthalmology meetings of the year:

- **Valuable CME.** We keep physician practices current as they earn AMA PRA Category 1 Credit(s)™.
- **Comprehensive agenda.** Our program covers the full range of ophthalmology, including: cataract surgery, cornea, corneal-based refractive surgery, astigmatism management, retina, IOLs and lens-based refractive surgery, glaucoma, practice management and more subspecialty topic areas.
- **Experienced faculty.** Skilled surgeons, researchers and professors from across the country will come together and share their expert perspective.
- **Interactive format.** Attendees benefit from helpful question and answer sessions and panel discussions to discuss how to overcome both unique and everyday challenges.
- **Networking opportunities.** All meeting participants, including you, can mingle with more than 400 colleagues and expert presenters during our evening Meet the Faculty Reception.
- **Convenient location.** Scheduled during a weekend in easily accessible New York City, so time and travel can be spent efficiently for both attendees and exhibitors.

Our attendees have voiced their appreciation that we have been able to keep costs low while continuing to provide more content every year. We’ve maintained an affordable registration rate at only $555 for 3 full days of CME education. Hotel room reservations are also discounted for meeting attendees and exhibitors for only $369 per night at the Sheraton New York Times Square Hotel.

Our attendees will be in New York City this fall looking for updates, perspective and information on new products, services and equipment. I encourage you to be here to greet them. Contact AMS Exhibit Management to learn how you can increase your exposure and maximize your impact at OSN New York 2017.

I look forward to your participation.

Wireless Internet Access
Wireless Internet access will be available to exhibitors by the Sheraton New York Times Square Hotel. A password to access the Wi-Fi will be available onsite. However, if you require high-speed Internet, it is suggested that you order separate Internet access through the hotel specifically for your booth. A form will be provided in the Exhibitor Service Kit for ordering Internet access.

Exhibitor Functions/Hotel Space Request
The Meeting has strict policies that limit unofficial activities throughout the week. These unofficial activities include social events, meetings, focus groups and industry-supported symposia that are not planned or sponsored by The Meeting. Only exhibiting companies are eligible to host a third party event. Unofficial activities cannot be held during the official meeting hours, or during an official Meeting event such as breakfast, lunch or evening symposia or workshops. This also includes official Meeting receptions. Please contact the Exhibit Manager for specific times. Exhibitors are not permitted to book space directly through the hotel. All requests for space and special programs must be submitted in writing on the meeting space request form included in your Exhibitor Service Kit.

Sales
The purpose of the technical exhibits is to further the education of meeting attendees through product and service displays and demonstrations. Sales are permitted provided that the transactions are conducted in an appropriate and professional, business-like manner. The Meeting reserves the right to restrict sales activities that it deems inappropriate or unprofessional. Sales, canvassing or distributing promotional materials outside the exhibitor’s own booth is not permitted. Solicitation of business except by exhibiting companies is prohibited.

No Solicitation Policy
The exhibit hall will be strictly policed to eliminate solicitation of exhibitors by other exhibitors and third parties. If you are approached, please report it to the Registration Desk immediately. Individuals who fail to observe The Meeting no solicitation policy will be removed from the exhibit hall and jeopardize the participation of the company they represent. Companies may only distribute promotional materials from their designated exhibit booth areas. Any distribution of promotional materials outside of your company’s exhibit booth will be a violation of the guidelines set forth by The Meeting and may subject your company to removal from the exhibit hall. This will be strictly enforced.

Disposal of Infectious Products
Exhibitors conducting wet labs must contact the hotel directly to determine the appropriate disposal method. This also pertains to exhibitors using any nature of sharp instruments.

Management of Space
Space at The Meeting is managed by The Meeting management. Upon completion and receipt of space request, all efforts will be made to accommodate applicants on a first-come, first-served basis. The assigned meeting room will be provided ‘with 6’ tables and chairs’ and the exhibiting company will be responsible for any additional expenses and arrangement of logistical support, equipment and services obtained directly from the facility. All signage and equipment for your booth must be contained within your allotted space (6’ for single booths, 12’ for double booths).

Use of the Meeting Name/Logo
The name and logo of The Meeting are proprietary marks. Use of the meeting logo is expressly prohibited. Use of the meeting name, including materials mailed to The Meeting pre-registration list, must be submitted to Exhibit Management for review and approval; sample materials will be required in electronic and/or hard copy format before permission can be granted.
Use of Scientific Program Content
The Meeting is not a public event. Programs presented at the meeting are for the education of attendees as authorized by The Meeting. Any use of the program content, the name of a speaker and/or program title, or the name of The Meeting without written consent of Meeting Management is prohibited. For this purpose, “program content” includes, but is not limited to, oral presentations, audiovisual materials used by speakers and program handouts. This policy applies before, during and after the meeting.

Copyright Information
Information displayed and/or presented at all sessions during The Meeting is the property of The Meeting and/or the presenter. Information may not be recorded, photographed, copied, photocopied, transferred to electronic format, reproduced or distributed without the written permission of The Meeting.

Floor Reconfiguration
The Meeting reserves the right to reconfigure the exhibit hall floor plan. The Meeting also reserves the right to relocate any exhibit at any time. If the affected exhibitor does not agree with the relocation and wishes to withdraw from the exhibition, all application fees will be refunded. The Meeting has the right to limit the number of exhibitors of similar products or services in order to ensure quality and a broad spectrum of products in limited exhibit space.

Staffing
Exhibits must be staffed at all times during the meeting. Those firms that do not keep their area staffed and operating until the official closing time jeopardize their participation at future meetings.

Children’s Admission to the Exhibit Hall
Children (age of 18 years or less) are welcome in the exhibit hall during show hours, provided they are accompanied by a registered attendee and/or exhibitor at all times. No children (age 18 or less) are allowed in the exhibit hall during setup or dismantling. No strollers are allowed for safety reasons. The registered attendee and/or exhibitor who is responsible for the child assumes all responsibility for damages to any exhibits.

Amendments to Rules and Regulations
All matters and questions not covered by these regulations are at the discretion of The Meeting. The Meeting may amend these regulations at any time. All amendments shall be equally binding upon publication on all parties affected by them as the original rules and regulations.

Contractual Considerations
Contract Submission of the official Application for Exhibit Space and receipt by the exhibitor of the specific exhibit space assignment letter constitutes a contract for the right to use the space allocated. Please note that the Prospectus rules and regulations governing the exhibit are part of the application of space. Any matters not specified in the Prospectus shall be resolved at the sole discretion of the Exhibit Manager.

Hall Security
The official show badge must be worn at all times by exhibitors and attendees in the exhibit hall and in the sessions. Anyone not wearing the proper badge will be asked to leave the hall by the security officers. Security/watchman service will be on duty at all times. As a courtesy to exhibitors, perimeter watchman service for the exhibit area will be furnished by The Meeting during the hours deemed necessary by The Meeting. The furnishing of service is in no case to be understood or interpreted by exhibitors as a guarantee to them against loss or theft of any kind.

Violations
If any exhibiting company fails to observe the policies outlined in this Prospectus, or engages in unfair or deceptive practices in connection with the exhibition, The Meeting reserves the right to terminate the exhibit onsite and may refuse assignment of space for future meetings.

Signage/Banners
Directional or promotional signs for events not planned or sponsored by The Meeting are not permitted. Hanging signs or banners are not permitted due to space constraints.

The Meeting reserves the right, in its sole discretion, to limit participation of any organization or individual.
